Health Care

MODERNSOLID, an ISO 9001 approved manufacturer,
supplies since 1988 a wide range of Mounting Solutions that
accommodates large and small displays for office, education, industrial,
and healthcare market, etc.

As an awarded innovative company, **MODERNSOLID** keeps on top
of the latest market trends and research in the technology field,
and is dedicated to helping our partners find the best solution.
We offer an entire range of products tailored to any market opportunities.

We support our customers in growing their business with innovative,
high quality engineering products and years of manufacturing experience.
